Prestige Medical unveils strengthened management team

The introduction of a strong, market-focused management team over the last 12-18 months has enabled Prestige Medical to expand their range of high quality products and services, whilst remaining extremely competitively priced. For example, Prestige Medical was the first company to introduce the concept of a 'one stop shop', with their Integrated Decontamination Solutions now providing the benchmark for the dental industry.

Left to right: David Robinson, Commercial Director; Christine Bowness, Sales & Marketing Manager; Ian Starkey, Managing Director; Paul Hope, Operations Director; Ian Davies, Engineering Manager; Paul Adams, Financial Controller; Mike Willes, Export Sales Manager.
