Prestige Medical appoints Alfa Medical as a 'safe pair of hands' in North America

UK manufacturer Prestige Medical has announced that they have appointed Alfa Medical Equipment Inc of Westbury, NY to act as Master Distributor for their popular range of autoclaves/sterilizers in North America.

The arrangement is designed to provide customers with a quicker, more efficient service, with Alfa Medical holding a complete inventory of products and spare parts readily available for shipment.

In addition, Alfa Medical will offer a complete service and repair center for all Prestige Medical products, including the 'Classic' series.
